5 TOP FEATURES

1 Comfort and Convenience

- CUE, the Cadillac User Experience with Enhanced Voice Recognition, 8-inch capacitive touch-screen and proximity sensing
- Available Adaptive Cruise Control
- Available Reconfigurable Head-Up Display
- Bose audio systems
- New available Automatic Parking Assist
- New available rear-seat dual display entertainment system
- New available rear-seat radio and rear sunshade controls

2 Power and Performance

- 2 engine choices including a 3.6L with 7.2 L/100km (36 mpg) highway and a new 3.6L Twin Turbo V6 with 410 hp
- 6 speed-automatic transmission

3 Ride and Handling

- Standard dual-mode Magnetic Ride Control
- Available Haldex AWD with limited-slip rear differential
- 4-wheel independent suspension
- Magnetic Ride Control
- Premium ZF electric power steering

4 Quality, Reliability and Durability

- Hand-cut and -sewn interior trim
- Luxurious interior with ambient lighting
- Premium Care Maintenance and New Vehicle Warranty for 4 years or 80,000 km
- 6-year/110,000-km Powertrain Warranty

5 Safety and Security

- 5-star safety rating from NHTSA (U.S.)
- 10 standard air bags[2]
- Available Automatic Front/Rear Braking, Radar Technology and Safety Alert Seat
- Available Adaptive Forward Lighting
- OnStar with 6-months Directions & Connections service[1]

1. OnStar uses existing emergency service providers and wireless and satellite technologies. Visit www.onstar.ca for system limitations and details.
2. Always use safety belts and proper child restraints, even in vehicles with air bags. Children are safer when properly secured in a rear seat. See the Owner Manual for more safety information.

SUMMARY

WALKAROUND

Up Front

- **Most spacious Cadillac sedan**
- **Models include**: XTS and XTS AWD
- **Trim levels include**: Base (1SA, AWD NA), Luxury Collection (1SB), Premium Collection (1SC) and Platinum Collection (1SD)
- **Available Adaptive Forward Lighting headlamps** swivel with direction of the front wheels to maintain forward lighting in concert with vehicle steering
- **IntelliBeam headlamps** switch from high to low beams automatically (Premium and Platinum)
- **Forward Collision Alert** uses radar and camera technology to detect a possible collision threat and alert the driver, giving them time to stop and/or change course (part of Driver Awareness Package)
- **XTS Platinum** features unique grille appearance; 20" polished wheels with chrome insert; premium finish brake calipers; illuminated sill plates; Opus full-leather seats; leather wrapping on centre console; instrument panel and doors; premium floor mats and two fashion colour/trim combinations

Under the Hood

- **3.6L DOHC DI V6 with VVT** produces 304 hp and 264 lb.-ft. of torque. Fuel ratings of 12.1/7.2 L/100km (23/39 mpg) city/highway on FWD (12.5/7.7 L/100km (23/37 mpg) on AWD). Regular fuel recommended
- **New 3.6L Twin Turbo V6** has 410 hp and 369 lb.-ft. of torque. Available on AWD Premium and Platinum. Fuel ratings of 13.2/8.3 L/100km (21/34 mpg) city/highway
- **Six-speed automatic transmissio**n with tap-shift control contributes to satin-smooth power delivery and exceptional fuel efficiency
- **Available Haldex all-wheel-drive system** with electronically controlled limited-slip differential that splits torque between the rear wheels complements an advanced HiPerStrut front suspension and standard MRC real-time damping to give the XTS sure-footed, confident and comfortable ride and handling
- **Available Adaptive Cruise Control** uses radar technology to apply limited braking or acceleration to maintain a selected following distance to the vehicle ahead. It works on the full speed range, which means it can stop the vehicle (part of Driver Assist Package)
- **6-year/110,000-km PowerTrain Warranty** and 4-year/80,000-km Premium Care Maintenance (whichever comes first) for peace of mind

Passenger Side

- **Long, sleek aerodynamic profile** encompasses an overall length of 5,131 mm (202") on a 2,837 mm (111.7") wheelbase
- **Standard 19" aluminum wheels** with premium paint and chrome inserts and optional 20" aluminum wheels with premium paint
- **Capless fuel filler** makes fill-ups even easier

At the Rear

- **Trunk space** for five large suitcases or four standard-size golf bags—a full 510 litre (18 cu. ft.)
- **Standard Rear Parking Assist** alerts driver to objects behind the vehicle
- **Rear Vision Camera** With Dynamic Guidelines displays the view directly behind the XTS onto a monitor in the centre stack
- **Rear Cross Traffic Alert** triggers visual and audible alerts if oncoming traffic is detected when backing out of a parking space (part of Driver Awareness Package)

Driver Side

- **New Automatic Parking Assist** steers the vehicle to help park in a parallel space. The driver must use the gas and brake (all except Base or AWD)
- **Side Blind Zone Alert** uses radar sensors on both sides of the vehicle to "look" for vehicles in the driver's blind zones and indicates their presence with LED-lit symbols in the outside mirrors (part of Driver Awareness Package)
- **Lane Departure Warning** uses a camera-based lane detection system to warn the driver if they make an unsignaled lane change. The camera, mounted near the inside rearview mirror, identifies traffic lane markings and provides audible alerts or activates the Safety Alert Seat (part of Driver Awareness Package)
- **Automatic Collision Preparation** senses when a collision is imminent and applies brakes to lessen the severity or perhaps even enable the driver to help avoid the incident (part of Driver Assist Package)
- **Front and Rear Automatic Braking** use "virtual bumpers" that rely on short-range radar technology and ultrasonic sensors to help prevent front and rear low-speed collisions via a progression of alerts that extend to complete braking if necessary (part of Driver Assist Package)
- **Intelligent Brake Assist** detects a panic-braking situation and assists the driver by applying brake force more quickly
- **New electric variable-assist power steering on FWD** for fuel efficiency and precise steering feel
- **Standard Magnetic Ride Control (MRC)** provides outstanding handling response. Capable of reading the road up to 1000 times a second to adjust shock damping
- **Rear air springs** provide automatic level control
- **HiPerStrut front suspension** reduces torque steer and improves vehicle sensitivity to tire irregularities and wheel imbalance
- **Standard StabiliTrak** along with traction control
- **Standard front Brembo disc brakes** with ABS

Interior

- **Cut-and-sew IP, door and console** with leather seating surfaces
- **Genuine wood trim** on steering wheel, console and centre stack
- **Keyless access and push-button start** means your key never has to leave your pocket
- **Expansive interior** features 107 mm (4.2") more rear-seat leg room than Mercedes-Benz E-Class
- **Power rake and telescoping steering wheel** standard
- **10-way power driver and front passenger seats**
- **Available heated seats** for all outboard seating positions
- **Available ventilated front seats** for comfort
- **Standard Premium Bose** AM/FM audio system has eight speakers, plays CDs and MP3s, and has dual USB ports, an SD card slot and auxiliary jack
- **New rear-seat entertainment system** includes dual display DVD with Blu-Ray playback and wireless remote (available)
- **New rear armrest controls** for rear sunshade and radio add convenience and luxury for rear-seat passengers (available)
- **Standard dual-zone automatic climate control** with separate settings for driver and front passenger
- **Available tri-zone automatic climate control** with individual climate settings for driver, front passenger and rear passengers
- **OnStar with 6-months Directions & Connections**[1] is standard
- **10 standard air bags**[2] include dual-stage frontal, front side-impact, head-curtain side-impact with rollover sensing, front knee and rear thorax
- **Cadillac User Experience (CUE)** includes: 8" touch-screen, Bluetooth phone and audio, enhanced voice recognition, SD card slot, CD/MP3 player, dual USB ports, SiriusXM Radio, and Bose Premium audio system with 8 speakers. Navigation and a 14-speaker Bose Studio Surround System are available
- **Available Colour Head-Up Display** projects useful information on the windshield
- **Safety Alert Seat** vibrates on either the left, right or both sides of the driver's seat cushion, depending on the location of the impending concern, to alert the driver to a potential collision threat (part of Driver Awareness Package)
